

Winterberry Hybrid Program

Blended Learning

Winterberry Hybrid Program serves students in grades K-8. A professionally crafted Waldorf-methods curriculum is provided to each family with **close support** from a certified teacher. Families have the option to bring their child and stay with, or drop off, from 10:00 a.m. - 2:00 p.m. Monday, Tuesday, Wednesday and Friday. Class hours on Thursdays are 10:00 a.m. - 12:30 p.m. due to early dismissal for the entire school.

Our Hybrid program provides families with a rich, well-supported curriculum, resource materials, instruments and high-quality art supplies needed for parents to successfully deliver the program to their children. A variety of classes are offered to train and enhance the curriculum delivery.

We offer weekly classes in Spanish, music, handwork and movement, nature walks at the Alaska Botanical Gardens, watercolor classes, math/language arts practice with certified teachers.

We go on field trips to the Alaska Zoo, Anchorage Library, museum, berry picking, ice fishing, hiking, historical Alaska tours, fish hatchery, theatrical performances and more!

Community-building and parent collaboration are other key components of this program. There will be many weekly opportunities for parents and students to interact, to get to know one another and build relationships, offer support and PLAY!

Hybrid students in middle school (grades 6-8) may participate in our **after-school sports** program that includes cross-country running and cross-country skiing.
