# Klatt News

We're off to a great start!

## Welcome back 3rd - 6th Grades on Feb. 8th!

Many great things are happening at Klatt! First, we would like to welcome back our secondary classes, grades 3rd - 6th, on Monday, February 8th. School hours are 9:30 a.m. - 3:00 p.m. As we return to in-building learning, strong routines and procedures are being constructed to build consistency for all our students. Our staff are modeling high expectations and, with our primary classes, we are seeing that the students feel welcome, safe, and connected. Teachers are getting to know their student's interests while capitalizing on those interests to teach the standards of the curriculum. It has been a delight to see staff and students building relationships through classroom morning meetings, and in the lunchroom and on the playground. I appreciate the dedication and the hard work of our Klatt staff each and every day! We look forward to all of our students being back in the building and learning.

Come SKATE at Klatt!!! M-F 6-9 a.m. & 4-10 p.m. Weekends 6 a.m. - 10 p.m.

## Car Drop Off & Pick Up Process

Arrival and Dismissal procedures have changed to improve overall safety during these high traffic times. Please understand that as you enter the car pick-up loop, the line will be continuously moving in a single lane along the loading zone. Vehicles will be guided through the loop by staff on duty. Staff will be wearing bright-colored safety vests and will aid in the vehicle movement through the drop-off/pick-up loop. There is no parking permitted within the drop-off/pick-up loop. Vehicles will stop only to actively unload or load students, and then they will proceed through the loop. At the loading zone, students will exit and enter vehicles from the passenger side only. The first row of the parking lot will be closed to access at the entry of the car loop. Those who wish to park may loop around and find a spot in row 2, or enter at the opposite end of row one to park. After passing the loading zone, vehicles will be guided to continue through the loop to the exit. If your child is not present at the loading zone, you will be encouraged to proceed through the loop and re-enter it at the start again, to make a second pass through the loading zone. Please bear with us, as this is a change, but keep in mind that the safety of our students is number one, and following this procedural guidance for arrival and dismissal time helps ensure all Klatt students are safe.
