PEAKS Assessment April 5th – April 16th

The Performance Evaluation for Alaska's Schools (PEAKS) are content area summative assessments designed to measure a student's understanding of the skills and concepts outlined in the [Alaska English Language Arts \(ELA\) and Mathematics Standards](#) and the [K-12 Science Standards for Alaska](#). Alaska's standards are the expectations for growth in students' skills across grades. Our secondary students at Klatt Elementary School, grades 3 through 6, will be participating in PEAKS assessment April 5th through April 16th. Please send your child to school well rested during these two weeks. If your student misses a portion of the assessment, make up dates will be during the week of April 19th.

School Pictures April 29th

Lifetouch has scheduled for individual school pictures to be taken this month on Thursday, April 29th. Due to Covid-19, class pictures will not be taken for the 2020-2021 school year. If you are interested in ordering your child's school picture, please follow the directions below.

How Picture Day works:

1

Order online at mylifetouch.com before Picture Day

2

Students are photographed on Picture Day

3

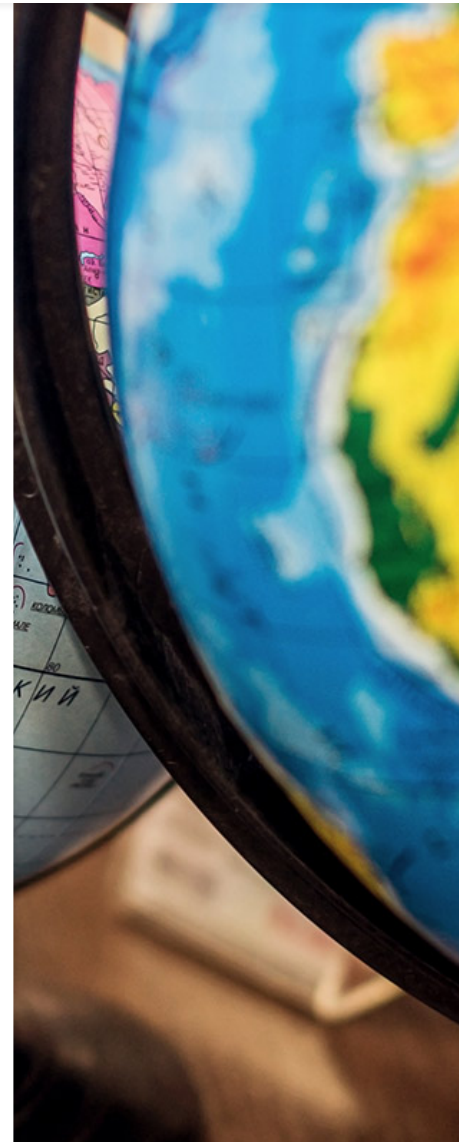

Orders will be sent home with student after Picture Day

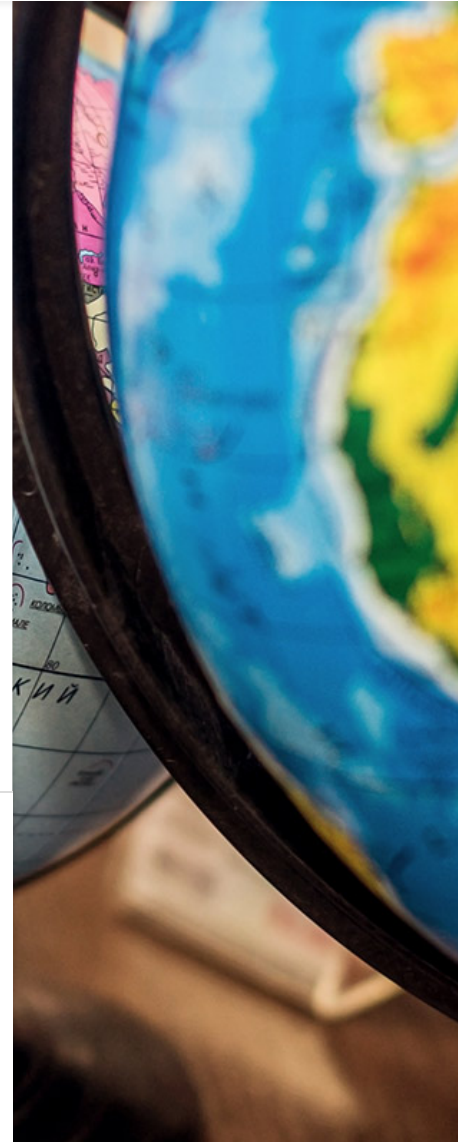

ASD Summer School

Participating elementary students will receive additional support in reading, writing, and math, in addition to arts and sports activities for that “summer camp” vibe. These in-person programs will be offered based on learning needs and schools will begin outreach to eligible students this month. **We will be in touch with you soon if your student qualifies.** Registration begins this month. There will be two blocks, one taking place throughout June and another block in mid-July through early August. Each block will have a morning and afternoon session. Programs will be free of charge, and meals options will be available to participating students.

A Big Thanks!

Thank you for all your patience during arrival and dismissal in our school parking lot. This part of our day now runs efficiently and safely—due to our efforts to make this as organized as possible and more importantly, your willingness to cooperate.

Lots of snow this winter!

Playing with friends proves to be a great break!

Getting fresh air and exercise has been so beneficial for our students.

Our students show off their creative effort!
