# Klatt News

*Klatt is Now a Meal Service Hub*

## Phasing in to the Return to School

Nov. 16th Kindergarten, First, Second, and our Structured Learning Students will be returning to school! We are super excited to see our students' faces and provide them with the education they deserve. Klatt is in the process of creating procedures and plans for what this will look like. We will be providing these plans via email, a live event, and via our website. These plans will include arrival and dismissal procedures and line up areas, social distancing, mask requirements, playground zones, and lunch and recess times and processes.

As students do return, all supplies will be individual. The school will be looking for individual pencil boxes and extra supplies to make sure we are well prepared!
