BACK TO SCHOOL IS IN SIGHT

DEAR FAMILIES,

We are now in the back half of the first quarter. Hopefully, you all saw the announcement from ASD regarding dates for returning to in-person schooling. Elementary is looking at October 19th the first day of the second quarter as the return to the building. So – for the rest of this quarter we will continue to be doing our teaching and learning remotely. With that said, if you are currently a Virtual School student and are interested in moving into the Traditional/Blended school for the 2nd quarter, please contact the front office to follow the process to make this change.

As I enter into virtual classrooms I know that elementary students learn best in a face to face model. Here at Klatt we are dedicated to the safety of our students and are working diligently to ensure processes and procedures are in place upon our return.

FREE FLU CLINICS FOR EVERYONE

A schedule of community vaccine clinics is available on the ASD website (<https://www.asdk12.org/Page/16034>). All flu clinics are **free** to anyone 6 months and up. All ASD students can get any required vaccination (DTaP, MMR, Varicella, Tdap, Hep A, Hep B, Polio) at specific schools. Please share the link and information with all staff and school families.
