Write Alaska! and Science Alaska!

Starting Monday the 8th of July:

This two-week experiential learning program allows high school students to earn .5 credit in English or Science while experiencing the great outdoors. Students attend class in the morning and adventure in the afternoon!

What you need to know

This is a 10-day program beginning Monday, July 8 and ending on Friday, July 19, 2019. Students will attend each day beginning at 9:00 am.

1. Program is free with breakfast and lunch provided.
2. Class starts at 9:00 am, while ending times vary from day to day. Expect to be on-site until 4:00 pm and later on some days.
3. Classes will begin and end at the ASD Education Center located at 5530 E. Northern Lights Blvd.
4. Your student will be outside all 10 days, please ensure that they are dressed appropriately for the weather.
5. Please wear sensible shoes, we suggest running shoes or hiking boots.

Enjoying the outdoors

1. Hiking: We have refined our hiking excursions to include some great trails. You can look forward to enjoying the sights at spectacular locations such as: Arctic Valley, Gull Rock, Winter Creek Trail, and Byron Glacier.
2. Fishing: Learn, or just enjoy, rod and reel fishing for Silver and Pink salmon. Fish on!
3. Other various outdoor and recreational opportunities!
4. ASD Staff accompany students on trips and are trained in safety and team-building.
5. Explore Alaska and learn about the literary and science aspects of our great community.
