PE this Week

Students will be snowshoeing in PE this week. It is **MANDATORY** that all students have **coats, hats, gloves, boots, and snow pants** for this activity. Students who do not will sit out and have an alternative assignment to complete. PE is on Wednesday, so a quick reminder to your child that morning would be appreciated. Mrs. Crowther could also use a couple of parent volunteers to walk with students. Parents can either snowshoe or just walk in boots. Contact me by text or Remind and let me know if you can help Wed. with PE from 2:15-3:15.

One of my book cases fell apart last week and there is no trying to fix it. Does anyone have one they would be willing to donate before I go out and purchase a replacement? It's a tall 5-6 shelf book case that I am looking for. Contact me by text or Remind if you have one to donate. I would prefer black to match the other two.

Science with Ms. Pogue

Students will finish their unit over matter this week. There will be a test on Thursday.

Dress Code Tips

(Taken from EACS Policy/Procedure Handbook)

Eagle Academy believes that a school uniform dress code is a positive way to create a more unified, productive, and safe school climate focused more strongly on the learning process.

- All clothing must fit properly and be clean, neat, free of stains, holes and rips.
