

Graduation

Dear Seniors and Parents,
One thing we all learned or were reminded of these past two springs, is that no matter the obstacle, graduation and celebrating your high school Senior will happen! We also learned it is important to be prepared. Seniors, don't wait until the last minute, or the last week of school to place your order and start the celebration. :) With that in mind, now is the time to prepare and ensure you have everything you need - properly fitting cap and gown, custom school products, class rings and letter jackets, and more.
