

CREEKSIDER INSIDER

October 6, 2020

Dear Parents,

First off, we'd like to take a moment to sincerely thank our Creekside Park families! Your dedication, hard work, patience, and understanding have not gone unnoticed. We are in this together, and we are here to help support you however possible.

Parent/Teacher Conferences are right around the corner, but they will look a little different this year. First, we will not have half days. October 21st & 22nd will be normal school days. October 23rd there is no school for students. Teachers will begin scheduling conferences with you as early as this week. It's important to meet with your child's teacher and/or be in contact with them so they are able to share your child's growth, review any assessment information, and to gather feedback from you. We understand that communication amongst teachers and families has greatly increased this year, so please let the teachers know of your individual needs when they reach out to you.

Creekside Park is a pilot school for an after school reading tutoring program. A small group of students has been coming to school to work with teachers on their reading skills, and it has been great to see them! This program has given us the opportunity to fine tune our safety mitigation plans for the future when students come back to school. More information about Creekside Park's safety mitigation plans will come to you in upcoming weeks.

If you have any questions or need anything, don't hesitate to call the office at 907-742-1550 or email us at askcreekside@asdk12.org

Take care,
David Christal and Kaitlin Tallman
