

Giving to the Anchorage School District

The Anchorage School District appreciates all support from our community members and families. Anyone wishing to give to ASD, please complete this donor intent form and submit with your donation to the Anchorage School District. Please note how you would like your support to be directed in the box below for gift intent -- support the impact of COVID-19, unrestricted contribution, or other. These funds will help bridge unexpected and unbudgeted costs related to school closure or other needs as determined, to include Student Nutrition, Student Technology, and other costs.

All private and corporate donations to ASD must be documented. Please complete the donor information below, and submit this with your contribution to ASD. Thank you for your support!
