Welcome to an exciting year in 6th grade. I am Ms. Edison, your child's teacher. I would like to share a little about myself for those of you who don't know me very well. I was born in Millington, Tennessee, but was raised in eastern Oregon from the time I was four on. I lived in the same house with my parents and little sister until I graduated high school. I married my high school sweetheart and his career in the military first brought us to Alaska in 1989. We returned to eastern Oregon in 1992 where I began college at Eastern Oregon University. I graduated with a degree in Multidisciplinary Studies, K-8. We moved back to Alaska in 2000 and in 2001 I was hired to teach 4th grade at Taku Elementary School. I taught there for five years and then moved to Eagle Academy where I have been ever since teaching 6th grade (this being my 15th year). There are 9 of us in my little family: my oldest son, Matt (29); my daughter, Katy (24); my youngest son, Nick (22), Katy's boyfriend, Kenny; my bonus grandson, Mason (6), my Alaskan Husky, Chloe (10); my orange tabby cat, Blaze (8); my Golden Retriever/Husky, Luna (4); and myself.

I am excited to begin our year together! I hope that you will have as much fun learning as I do, and that you will feel the love and support in our room throughout the year . . . the encouragement to always do better and never settle for anything but your best. Here's to a "Scooberific" year filled with lots of Scooby Snacks and new friendships!
