Emergency Kits

We ask families to supply individual emergency kits for their child. Parents are asked to treat these as necessary school supplies. This will allow for correct sizing of clothing items and give students the comfort of having their own personal items in an emergency. These kits will only be used in a community emergency such as an earthquake. Students will not be allowed to remove items out of them on an individual basis. Kits will be returned at the end of the year.

Please place the items in a Ziploc bag marked with your child's name.

Hat

Gloves or mittens – 1 pair

Underwear – 1 pair

Granola bars – 2

Toothbrush

Toothpaste – travel size please

Hand warmers / heat packs – optional

Picture of your family with names labeled on the back – optional (for your child's emotional comfort)

In an emergency we want to be as prepared as possible. Thank you.

Thank you,
Mrs. Means
