

Concert Orchestra

Who can join?

Typically, students who have 2 years playing experience. If a student is taking private lessons and has 2 years Suzuki experience.

What they do?

This class is orientated to getting students ready to join a high school orchestra class. Learning finger patterns and many pieces.

Why orchestra?

Music classes in general develop the whole person. Working with and for other students to make beautiful sounds! When a young person hears, and participates in the making of music they develop a better understanding of their surroundings.

Hanshew Middle School Orchestra Program

Intermediate Orchestra

Who can join?

Generally advanced 6th grade students who have done very well their 1st year in orchestra.

Materials?

FJH book #1. We start in the middle of the book on #75 French Folk song. This is easy for these students. Note reading and sight reading skills have been learned. Playing in tune is easy for these kids.

7th Grade Orchestra

Who can join?

Students who enjoyed their 1st year in orchestra. These kids like to play but need extra help reading notes and learning to play in tune. We work on posture and the techniques of playing well.

Materials?
