The Navy Junior Reserve Officer Training Corps (NJROTC) is a high school elective building future leaders through community service and team building.

Rifle Team

Academic Team

Drill Team

To join NJROTC simply choose this class as one of your electives!

Additional Programs

- All 9th grade in **Pre-AP English and History** (unless in The Seminar School): Pre-AP is for all students, giving them the opportunity to learn the foundational knowledge and skills they need to be successful in general 11th and 12th grade classes, Career Tech classes, and AP and other college-level coursework.
- **Career/Technical Pathway:** Computer Science program, Math/Technology Collaborative Career Pathway, Culinary Arts and **ProStart** Pathway...
- **AP Capstone** (one of only two schools to have this): **AP Capstone** is a 2-year high school pilot program developed by the **College Board**, which consists of two new courses: the AP Seminar and AP Research. Students who successfully complete the program and obtain scores of 3 or higher on at least four other AP exams receive either an AP Capstone Diploma or an AP Seminar and Research Certificate.

CollegeBoard Pre-AP
