Additional Notes

GRADUATION REQUIREMENTS

Students must complete 22.5 credits to receive a high school diploma.
Steller requirements can be found on the front of this page.

English Language Arts (ELA): 4 credits

Four years of ELA are required: English I, II, III, and IV or their equivalents. At Steller, students have the opportunity to take a wide variety of ELA courses not always offered in other settings. Please scan the QR code below to see how each of your classes "counts" toward these requirements.

Social Studies: 4 credits

Alaska Studies, one semester of a Social Studies elective, World History (year-long class), U.S. History (year-long class), one semester of Economics, one semester of United States Government. Students may waive the .5 credit social studies elective requirement by completion of Level III of a world language (ASL, Chinese, French, German, Japanese, Latin, Russian, or Spanish).

Mathematics: 3 credits

Six semesters of Mathematics, to include one full year of algebra. In order to satisfy the algebra requirements, students must complete one of the following options: Algebra I, semester 1 and 2; or Survey of Algebra 1 and 2. Subsequent to Algebra I students typically take: Geometry, Algebra II, Pre-calculus, Calculus, Calculus II or Statistics.

Sciences: 3 credits

Three years (six semesters) of science credit are required. Two semesters must be life science. Two semesters must be physical science. Two semesters may be any science course. Students typically take: Biology I, Chemistry I, and science electives of their choice.

Physical Education/Health Education: 1.5 credits

Three semesters of physical/health education are required. A wide variety of courses are offered at each school. Elective credit must be earned to replace a Physical Education/Health Education requirement that is waived.

A) Students may obtain a K waiver of 0.25 of the physical education graduation requirement for each full season of ASAA-sanctioned sports participation within the Anchorage School District.

B) Students may also waive comparable physical education requirements through Credit By Choice, correspondence, or college coursework in Physical Education/Health.

Electives: 7 credits

Fourteen semester courses have not been specified so as to provide students an opportunity to pursue individual educational goals. Electives may include additional courses in Language Arts, Social Studies, Mathematics, Science, Technology, Fine Arts, World Languages, Physical Education and Career Technology. Steller students must take 3 Passage courses.
