

Experience Cultural Exchange — Open Your Home to a Teaching Intern!

Amity Institute

Building International Friendship and Cultural Understanding through Teaching Exchange

Why host an Intern ?

- Allow your family to develop a meaningful relationship with someone from another culture.
- Learn about another country and culture.
- Create an unforgettable experience for your Amity Intern.
- Support your local school.
- Learn about yourself and your culture.
- Be part of a worldwide community bringing people together.

What is the goal of the Intern Program?

- To focus on sharing language and culture
- To provide future educators the opportunity to gain teaching experience and participate in American culture and community
- To participate in a life-changing experience

What does a host family provide for the intern?

- A private room
- 3 meals per day
- Transportation to and from the host school, occasional rides
- Integration into the family and community

* host families are not financially compensated for hosting an intern. Interns will pay for all of their own personal expenses.
