

Art Remote Learning Plan

Goal:

I CAN make art.

Choose from the following activities:

- Make a card for someone in your household.
- Draw something! Here are a few resources:
 - Guided drawing - <https://www.youtube.com/@artforkidshub>
- Don't have art supplies at home? Watch this [fun video](#) about artists who use limitations to drive their ideas. A jellyfish made of jelly? A portrait out of french fry grease? What can you do?
- Make a sculpture. Use paper, stuff from the recycling bin... or snow!
- *You can look through the Elementary Art Lessons Folder and add links to lessons you think your students would enjoy!*
