

CREDIT BY CHOICE PROGRAM

Program No. 8 – Basic Training Credit

DESCRIPTION:

Students successfully completing the Alaska Army National Guard Military Basic Training may earn high school credit.

GENERAL GUIDELINES:

The Credit by Choice (CBC) Program is designed to give students the opportunity to choose enriching learning experiences tailored to their personal educational needs and to have them recorded on their high school transcript. This program is open to high school students currently enrolled in the Anchorage School District.

- While the Curriculum Assistant Principal and Counselors can respond to questions, it is the responsibility of the student to work independently to complete the application and carry out a program according to these prescribed guidelines.
- Students proposing a CBC Program must have prior written approval of their parents and the Principal.
- A certificated staff person must sponsor and/or supervise the student's program.
- ASD is the accrediting institution and sets standards for issuing credit. ASD is not the sponsoring agency for off-campus programs and is not responsible for the student's personal or financial liability. Program expense is the responsibility of the individual.
- CBC courses will be titled as such on the student's transcript, as described in each program's details.
- CBC courses recorded upon program completion cannot be included for calculating eligibility for full-time student status for the purposes of enrollment and/or Alaska School Activities Association eligibility.
- The grade received will be incorporated into the student's high school grade point average (GPA) and counted to determine class rank and valedictorian. When computing valedictorian status, the ratio of weighted advanced placement to regular graded classes is significant.
- **Once entered on a high school transcript, grades will not be removed from this legal document.**

DETAILS:

- Successful completion of the Alaska Army National Guard Basic Combat Training, Advanced Individual Training, or both prior to graduation will grant the student 0.5 Health/PE and 1.0 General Elective credit ("Pass" grade only).
- The student must provide Alaska Army National Guard course transcripts, training verification forms, or any other documentation reflecting successful completion of training.
- The student must meet all other requirements for graduation and need only the credits earned from the training to graduate.
- The student must have completed the third year of high school; be at least 17 years of age; and have parent or legal guardian consent to participate in Alaska Army National Guard training.
- This CBC program will be titled as such on the student's transcript.
