Our new AP Ambassadors club meets Wednesday at lunch in room 408C, Mrs. Vano's room. Are you pushing yourself to take Honors and AP classes? Do you want to be part of an awesome group of students looking to support, motivate, and help each other excel in these classes? Come check out our new AP Ambassadors club, open to anyone in grades 9-12 who is either taking an Honors or AP class, or interested in taking on more challenging courses in the future. We do a quick check in at the beginning of our meeting, then spend lunch together, helping each other out with studying or assignments, with a focus on peer support and tutoring. We're pretty informal, so if you're just looking for a group of motivated and supportive people to spend lunch with on Wednesdays, come by Room 408C..
