Bartlett High School Morning Announcements
Thursday, October 27th
1,2,3 Period Day

Does Computer Science sound interesting? Bartlett may offer an AP Computer Science course next year, but we need to know who would be interested! Scan one of the QR codes on the flyers around the school or see Mr.B in room 511 to let us know you're interested! A student already cracked the code we gave you yesterday, so here's a new one. What do these sets of numbers mean? 0, 0, 255 and 255, 215, 0. The first student to tell or email Mr.B with the right answer gets a candy bar of their choice.
