

Bartlett High School Morning Announcements
Thursday, October 5th
2,3,5,6 Period Day

Attention Talented Bartlett Students, the library is hosting the first open mic session of the school year on Friday, October 6 at lunch time. You have time to prepare a skit, play an instrument, tell some jokes, or recite poetry. What is open mic, you ask? It's a platform for individuals to express themselves through various forms of performance, such as singing, poetry reading, storytelling, stand-up comedy, or any other talent you'd like to share. Why Should You Participate? It is a welcoming environment for you to express your creativity. Plus, it builds confidence for public speaking. Lastly, it's a great way to spend your lunch break in good company!
