Last year's valedictorian, Oumie is back from her first semester at Dartmouth College, and she will be running a series of college application workshops in the Bartlett High School cafeteria on December 12th, 14th, and 15th from 5:30-8:30 pm. In these workshops Oumie will go over how the college application process works, how to write a strong personal statement, and ways help your high schooler prepare for their future. If you would like to learn how this process is done by one of Bartlett's best, swing by and don't miss out on this great opportunity. This is just another great example of Bears giving back!
