

Bartlett High School Morning Announcements
Tuesday, February 28th
1,2,4,5 Period Day

Happy Last Day of Black History Month! Lisa Leslie was among the pioneers that have made the WNBA a respectable league. Leslie is often considered one of the greatest WNBA players of all-time, and she also was one of the league's first major faces who became the first player to dunk during a WNBA game. Leslie's stellar play helped lead the Sparks to two WNBA titles. Besides her WNBA career, she was a four-time gold medalist for the U.S. Women's Basketball Team (1996, 2000, 2004, 2008) and two world championships (1998, 2002)
