

Bartlett High School Morning Announcements
April 1st
PLC 1,2,3,4,5,6 Period Schedule

April is the month of the military child. This month was dedicated to the children of military families by the Secretary of Defense in 1986. There are over 1.6 million military children across the U.S. with nearly 400,000 of them being high school aged. Every April, Military bases, cities, and school districts around the world honor these young heroes by hosting special events for them. Purple is the official color of the military child. It's a combination of all the colors of the U.S. Armed Forces: Air Force, Navy, and Coast Guard: blue, Army: green, and Marine Corps: red. Wear purple throughout the month of April in support of our military students.
