

Bartlett High School Morning Announcements
PLC Monday, April 21st
1-6 Schedule Day

We've got some big news from the art world, and it's coming straight outta Bartlett! Our students didn't just show up to the **Alaska State Art Competition**—they *swept* the **Photography category** like it was a dusty darkroom floor. A huge *congratulations* to Brandon Vargas, who snapped up **1st place** with his powerful photographic collage titled "*Freedom*." Berlin Mena wasn't far behind, capturing **2nd place** with his stunning double exposure "*Oh, It's Paton*." And, completing the clean sweep, Alyssa Simons took **3rd place** with her striking portrait "*In-Between*." That's right—**first, second, and third** in photography *all* belong to Bartlett. We didn't just take pictures—we took the whole podium. So, if you see Brandon, Berlin, or Alyssa in the halls, give them a high five, a head nod, or just whisper "photo legends" as they pass by. Keep creating, Bears. Bartlett's got that shutter magic.
