Just a couple of reminders to returning students and additional information for those new to the building. Earbuds, Phones and Headphones are not allowed from the time you enter the building until you leave the building. You will be reminded to remove all earbuds and put away your phones. Failure to follow this simple rule will result in consequences.

Hoodies, I know we all have them and they are extremely comfortable to wear, but all hoods must be taken off once you enter the building. You can wear ball caps, beanies, knit caps, etc, but your hood has to be down at all times.

Remember, all students should have been issued a chromebook and charger. You need to make sure you bring your fully charged chromebook every day, so you are ready for the day. If you are new to the Anchorage School District and have not been issued a Chromebook, please see Ms. Sarah in Student Services before school, during lunch or after school.

Lastly, GrubHub, DoorDash, UberEats or any food delivery service is not allowed. Any orders that arrive at the building will be turned away.

That is all for your morning announcements. Let's make this a great year. Have a fabulous Friday, and as always go bears.
