

Bartlett High School Morning Announcements  
Wednesday, August 28th  
2-3-5-6 Period Day

Attn: Bartlett Students Midnight Sun Theater (MTS) is working with ASD on a program with 10 elementary schools. We will be performing for them & working after school with the students on literacy & SEL issues. MTS is putting together a team of HS students to perform and volunteer as Literacy Mentors. An Audition / Information Meeting will be Wednesday at 3:45 at the Midnight Sun Studio at 3020 Minnesota Drive. All are welcome. We are in search of High School aged performers for various school productions, especially but not limited to Jrs and Srs for a touring show within Anchorage to perform numerous times during the school year at various Elementary Schools. Singing skills are a plus, but not required. Reliable transportation is a must! Dependable, high energy and excellent work ethic required. This project is being programmed through the 21st Century Schools initiative. Additionally, MTS offers numerous classes to ASD on topics like Improv, Stage Combat, Technical Theatre, and Using Theater in the Classroom. Many of these classes are free!
