Monday is the drop dead date for registration and yellow tickets are a must! Team, pay attention to this one! Interested? The Brewer Foundation is sponsoring their annual international high school debate competition. The top 8 teams after written and oral competition will get an all-expenses paid trip to New York City for the final competition rounds. Let's look at this! It might be a good way to make your debate pay off! It is a public policy topic most suited to the policy debate format.
