JUNIORS and SENIORS, are you ready for the rest of your life? What are you going to do when you graduate? Are you interested in college? Working right out of high school? Do you have a dream career? Not sure what you want to do. Why not take this time in high school to have an internship with a company or a job that interests you. Apply for the CTE internship program and try a job on for size. See if it is a good fit. Learn now, before you spend all of that money on a college degree for a job you later find out you didn't even want. Talk to your favorite CTE teacher about the CTE internship program. The deadline to apply is Friday, September 27th. Apply today: <https://www.asdk12.org/cte/internships>
