

## 2025 South Anchorage High School Air Force JROTC Summer Cadet Leadership Course (27-31 May)

Your student is invited to be a part of South Anchorage High School's 2025 Air Force JROTC Cadet Summer Leadership Course (CLC). **Our camp will be held 27-31 May with equipment issue day Saturday 10 May. The cost will be \$150.00.** All meals, housing, activities, transportation, T-shirts, and an awards banquet are included. This 5-day encampment will be held on Joint Base Elmendorf-Richardson. Adult, male and female chaperones will be present 24 hours a day. All instructors have CPR/basic medical training and there will also be a certified professional (RN/PA/MD) present/on call throughout the camp.

Your student will be exposed to daily physical fitness training and learn about land navigation, first aid and military drill. He/she will receive military aircraft orientations, survival training, participate in US Army jump tower and rappelling operations and tour base facilities. In addition, students may hike, canoe and participate in water survival activities. Most importantly, they will learn about courage, loyalty and excellence while building self-confidence and teamwork. (There will be no TV, electronics or phone calls to friends during the encampment).

In addition to having a really good time, your student will earn a .25 high school PE credit towards their graduation. ***Our only mandate is that your student must enroll in the JROTC class for the fall semester and complete an entire academic year to receive the credit.*** We reserve roughly 15 slots for incoming freshmen on a first-come, first-to-go basis.
