Mission Statement *South Anchorage High School is a dynamic learning community with high expectations, encouraging everyone to learn, achieve and succeed.*

As South Anchorage High School (SAHS) enters its fifteenth year as a comprehensive high school in the Anchorage School District, students, staff, parents, and community members praise the school for the high levels of academic achievement that our students have realized thus far. The school has an exceptional academic program with a full complement of advanced placement classes in all curricular areas. We also offer honors language arts and social studies classes at the ninth and tenth grade levels, four world languages and specialized fine arts, music and career technology courses. In addition, SAHS students have numerous interscholastic athletic opportunities, as well as a host of clubs and other programs that are available to them to help broaden their educational experience. We have an outstanding faculty, and the yearly turnover rate is very low.

We have doubled the number of students who are taking AP classes compared to the number of students enrolled in AP classes in our very first year. Our teachers consistently work to ensure that all of their instructional activities are standards-based, rigorous, and relevant. The staff at SAHS is committed to helping each student achieve his or her unique academic potential in a safe, welcoming learning environment.

GRADUATION REQUIREMENTS

Language Arts	4 credits
Social Studies	4 credits
Science	3 credits
