

2nd Grade Supply List 2021/2022

It would be a GREAT idea to bring your child's school supplies with you to the OPEN HOUSE on Monday, August 16th, from 4:00 – 5:00.

Here is a supply list:

1 pair of gym shoes to keep at school

Ticonderoga Pencils

Dry Erase Markers

Crayons

Large bottle of liquid glue

Scissors

Markers

Personal pencil sharpener

1 Large pink eraser

1 White t-shirt, one size larger than your child wears (for class tie-dyeing)

1 personal water bottle (reusable) that does not leak when tipped over

1 personal box of facial tissues

*1 "pencil/supply" box that can hold all these supplies (large container that will stay closed when supplies are in the box) This box should be able to fit inside of a desk.

Backpack

Because our space needs to be contained, these are the only supplies students should bring into our classroom. Please, no additional items.

Hand Sanitizer is optional (the school will have large pump bottles in every pod)
