# LANGUAGE ARTS AND MATH TITLE GOALS

---

- All students will be assessed on the return to school in Language Arts & Math
- As appropriate classes will be leveled to provide appropriate instruction
- Students will show catch up growth on MAP reflective of where they were before the extended school closure.
- Any student achievement gap created by Corona will be made up for.
- We will see a 50% decrease in students not able to access Online Lang Arts & Math curricular materials

# ATTENDANCE IMPROVEMENT GOAL

---

- Attendance data will be collected in the first week of return to school
- Over the course of the 1<sup>st</sup> quarter we will improve by 5% the daily attendance rate at Central
- We will maintain this improved attendance rate over the course of the year, regardless of whether school is in-person or online.
- We will decrease our Chronically absent student percentage rate to match the district percentage rate

# SCHOOL CLIMATE MAINTENANCE GOAL

---

- All students will be part of an Academic Core Team
- Core teams will actively engage students to foster and build community
- Core Teams will engage in active onboarding activities
- Every student will be able to articulate which team they are a part of and what it means to be part of that team
- Parents will know what team their student is a part of
- Teams will conduct at least 3 activities per quarter that include parents
