Panthers Take Math to the Next Level

Students in Ms. Kehle Middleton's geometry classes have taken their understanding of math concepts to the next level by sharing a physical demonstration of a "hypotenuse." Math teachers at Mears are working very hard to make math fun and accessible, while building critical problem-solving skills. **Go Panthers!**

Studying North America

Students in Ms. Kiyoko Loer's Japanese Social Studies class are studying the geography of North America. Pictured here are students working on locating all the US states and states' capitals and then translating them into Japanese.

Student Leadership Training

This week, a group of inspiring Mears students participated in the No Place for Hate Student Leadership Training. Students gathered in the library and engaged in a series of activities and small group discussions focused on building a respectful, inclusive school culture where everyone belongs. Go Panthers!

Impressive Levels of Achievement for Q1

Mears 1st Quarter Honor Roll Totals, 2021-22

Grade	# and % of students with GPA of 3.0-3.9	# and % of students with GPA of 4.0	% of students
7th	150/40%	88/23%	63%
8th	145/37%	106/26%	64%

Total enrollment: 774/ 379 7th graders and 394 8th graders|

Well over half of all students at Mears Middle School, 63%, have posted a Grade Point Average (GPA) over 3.0. Notably, a quarter of all students, 194 total, have straight As and a GPA of 4.0.

Students who met this academic benchmark will all be recognized with an official Honor Roll certificate, which will be distributed during class time in the coming days.

On behalf of the entire staff at Mears, we commend all the hard work and effort that these students have put forward to earn such impressive marks. We also thank our parents and families for supporting our student's efforts at home and at school.

We encourage all students to do their best every day and to ask for help whenever they need it. The second quarter is ending soon and we encourage all of our students to do their best work and to finish strong. --Mr. Backman, Principal

Cell Phone/Electronic Device Policy: Big Changes Semester 2

Beginning on January 3rd, the first day of semester 2, students will no longer be able to use their cell phones or electronic devices in the hallways, multipurpose room, or any other school areas between the hours of 8:00 AM and 2:45 PM. Teachers will remain in complete control of electronic device use in their classrooms.

We ask that you also discuss this huge change with your student to ensure a successful transition to the new policy. Please review the following information for consequences if students violate the policy that starts on January 3rd, 2022; **we depend on your support for the successful implementation of this new policy:**

For infractions in the hallway/MPR, we will use the following structure and use the updated electronic device spreadsheet and Q. to keep track of related behavior:

- 1st infraction: phone taken and returned by same staff to student.
- 2nd infraction: phone taken provided to administration for parent pickup.
- 3rd infraction: phone taken provided to administration for parent pickup + work detail.
- 4th infraction:: phone taken provided to administration for parent pick up+In School Suspension (ISS).
- 5th infraction: phone taken provided to administration for parent pick up+ 2 ISS and mandatory meeting with administration for behavioral plan consideration.

Please call or email if you have any questions.

Sincerely,

Mears Administration

Uptick In Physical Behavior

In the interest of maintaining an orderly and safe school, we acknowledge that Mears, like most schools across the District and country, is experiencing an uptick in physical behavior. Recently our own superintendent, Dr. Deena Bishop, communicated this context in a newspaper article directed at the Anchorage community.

While we address each and every one of these events with serious consequences, we want to reassure families that we're increasing our supervision to mitigate this unfortunate national trend. Additionally, we continue to speak to all of the students and provide consequences for recording and standing by during these tremendously inappropriate disruptions of the school day. We also continue to address the behaviors that can lead to these events, and the hardworking staff at Mears has prevented countless altercations with this proactivity.

Finally, we appreciate each of you speaking to your child, reminding him/her that if they see something concerning, they should let an adult in the building know, so we can help.

Thanks for your support and care for our school and students.

Warmly,
Mike Scott
Assistant Principal, Mears

Safety Minute: Warm Clothing and Safe Walking-Reflective Clothing

Mears Families:
Remember, students should wear **suitable footwear; students may not wear open-toed shoes 2nd and 3rd quarter for safety reasons.** Additionally, students should be certain to wear school-appropriate clothing: warmth is key. Finally, bright, **reflective clothing should be considered if your student walks to school,** for it's tough to see students on these dark mornings.

To this end, we have plans to distribute some reflective tape to students (Thanks, Ms. Bivins!). We're organizing this process, and it will happen soon. I'll continue to remind students in the announcements, too.

Enjoy the start of winter! --Mike Scott, Mears AP

Thanksgiving Drive Shows Generous Spirit

Students and families at Mears have generously participated in our Thanksgiving Food Drive, bringing in enough food items to fill 50 meals boxes for families in our communities. Next week, Catholic Social Services will be picking up this substantial donation, with students in Mr. Greg Ross's Community Service class providing support.

Mears Activities Update

At this point, students can get involved in wrestling or volleyball. These are wildly popular activities. Volleyball, for example, has well over 100 participants. It's great to see students having fun and interacting with each other. See below for information about getting involved. As a reminder, Cross Country Skiing and Boys Basketball start right after the break, so if you're interested, please submit your paperwork in advance.

Families must fill out the following forms for students to participate in sports:

- Middle School Participation Form

- Health Examination Form
 - <https://drive.google.com/file/d/11i5oSifxCsxF-MNlknP6hBp0FPtELfeI/view>

Added to these forms, if a student has tested positive for COVID-19 in the three months prior to the activity, families should fill out the **COVID-19 Return-To-Sports** form.

Forms can be scanned and emailed to our AAFP: spartz-hays_robin@asdk12.org or dropped off at the school by your student near the main office between periods 1 and 2: designated basket supervised by Ms. Spartz-Hays.
