

Come help us grow!

Garden Club is starting

Wednesday March 22

3:00-4:30

Are you interested in helping to take care of the chickens?

Do you want to learn about how to grow gardens of vegetables and flowers?

Do you want to learn about composting?

We meet Wednesdays from 3-4:30
March 22 through May 17th
Garden club also involves
summer caretaking responsibilities

Garden Club applications are in the office. Fill one out and come to our first meeting:) Be prepared to dig in and get dirty!
