Dear NLABC Families,

In his 1926 classic, “Winnie the Pooh,” A. A. Milne wrote, “Piglet noticed that even though he had a very small heart, it could hold a rather large amount of gratitude.” Our little pink friend was grateful for the abundance he had in his life; great friends, a warm place to sleep and a few tasty “haycorns” to eat.

As we conclude 2020, and break for the winter holiday, I want to take a moment to express my heartfelt gratitude to all who help make Northern Lights ABC an amazing place to learn. We are a community with many gifts and talents, which we share daily with one another and most importantly, our students. From the classroom, to our living room, and all points in-between, our collective efforts to raise the whole child are filled with passion, commitment and a willingness to make decisions that may be hard in the present, but will have a positive and lasting influence in the future for all.

Parents, of course, are such a critical part of all we hope to accomplish on behalf of our NLABC scholars. I am grateful to you for masterfully doing what I know firsthand is the hardest, most rewarding and joyous job of all. Thank you for entrusting us with your most precious gift. I am grateful to our wonderful, talented, creative, inquisitive, optimistic, resourceful and resilient students. Often, they make us laugh, sometimes they make us cry, but always they make us think. Most of all, they make us better.

In the spirit of this holiday season, I want to extend my thanks to all of you for everything that you do for our school. As we enjoy the upcoming holidays, it is my fervent wish that each of you receives and returns the seasonal bounty of blessings and good tidings that make these days truly special. It is also during this time that I am reminded of my own good fortune to serve as the proud principal of Northern Lights ABC School. Indeed, my career as a public-school educator has afforded me vast, varied and richly rewarding opportunities to teach and to learn from young people. Of course, I believe the faces of our children best express the true meaning of this holiday season. They radiate a sense of unbridled enthusiasm, untainted hope and unabashed joy for life and the opportunities that await them. We hope to see you soon in 2021. My deepest wish is that our school community stays healthy, happy, and safe.

Partners in Education,
Tammy Duff
Principal

NLABC Staff

The facility and staff at NLABC would like to wish you a happy and safe winter break. Remember Zoom classes resume on January 4th.

Can you guess the staff members?

Hi, I am Ngozi Njoku.

I was born and raised in the northern part of Nigeria. My family and I lived in Houston, Texas for six years and relocated to Beijing, China for a couple of years. We moved to Anchorage, Alaska five years ago. I obtained my Bachelor of Science in Nursing at the University of Texas. I have been a nurse for about ten years and have worked with the ASD for five years. This is my third year at NLABC. It has been a joy working with the students and staff.

I have three kids, Michael (13), Naomi (12) and Ethan, who is 13 months old. My older kids are in middle school at NLABC. My family and I love participating in outdoor activities, playing board games, watching movies, traveling and spending time with friends.

Hello, I'm Jonae Berg.

I am the TA in the afternoon kindergarten class. This is my fourth year in this position, but our two boys first brought us to Northern Lights in 2013.

Though I grew up in the Midwest, our family has made our home in Anchorage for the last 13 years. In my free time I enjoy playing piano and singing, traveling with my husband and helping out at our church. I feel blessed to be a part of such a great group of families learning together at Northern Lights.

Join Girl Scouts of Alaska for no cost this year!

Now, more than ever, Girl Scouts serves as a vital source of support, consistency and community for girls and families. As girls attend school virtually and practice social distancing, the connections that Girl Scouts fosters between girls are critical. Girl Scout programming provides a safe, inclusive and welcoming environment for girls to try new things, explore the world around them, make a difference in their community, and develop

relationships with other girls and caring adults.

There are many ways girls may participate from joining a local virtual troop to an Alaska wide virtual troop, to signing on as an independent girl to work through programs and earning badges. For the 2020-2021 membership years we are waiving any membership fees.
