Dear NLABC Families,

I don’t know about you, but I am excited to see more daylight especially in the evenings.

We have a lot of amazing things happening at NLABC. Our science fair will be next week. Judging will take place on Wednesday, March 4th. We could use more judges and the signup for it is on our website. Please consider judging even if it for a couple of hours.

On Thursday, we kicked off the Healthy Heart Challenge with the American Heart Association assembly.

We are gearing up for the March Read-A-Thon. Information is in the library notes and proceeds will go towards the cost of a new Chromebook cart and 30 Chromebooks for the primary grades.

Just a reminder that we will not have school on Friday, March 6th as it is an inservice grading day. Spring break will be March 9-13. We look forward to seeing you all on March 16th which will be the beginning of 4th quarter.

Have a wonderful and restful spring break,

Mrs. Duff
Principal

Our READ-A-THON theme this year is Reading Gives You Superpowers, and our readers will be empowering their fundraising to win great prizes at 9 levels. March is also the DOUBLE-READING challenge month for T.I.G.E.R. Reading with goals of:

- Kindergarteners - 1,000 pages
- 1st – 6th Graders - 1,400 pages

Be sure that when you take your spring break, your vacation time includes lots of opportunities to READ! Reading makes you smarter, helps you relax, opens your mind to new ideas and other cultures, improves your reasoning skills and memory, builds vocabulary, increases your creativity, and DECREASES BOREDOM! P.S. – your student can log into the ASD library using their ASD “Credentials” (lastname.firstname and computer lab password) and use their NLABC library code with the public library. You’ll have access to LOTS of e-books online, no matter where you are!

Dear NLABC Families,

We are excited to share a very special project we are working on which strongly supports NLABC’s character blocks of Patriotism, Generosity, Compassion, Courage, Respect, and Helpfulness. We came across a local news article where our local police and fire chaplains expressed the need of funds for them to purchase flags for our communities’ veterans and first responders. “After a death, the chaplains drape the body of a veteran or first responder with a flag to honor them as they leave a home or hospital.”

We think this is an excellent patriotic opportunity for our students and families to participate in community giving. Our goal is not only to help our fellow community members and honor our veterans, but to share the pride and joy in which comes from being involved and helping to meet a need in their community.

At our last Red, White, and Blue assembly, we would like to invite a chaplain to attend and surprise them with our donated flags and/or a check to purchase flags. We are estimating the cost per flag from Amazon which sells the coffin-sized flags for about $50.00.

If your family would like to sponsor a flag, we will provide your family’s name and/or honorary name as recognition on a specific flag. Another idea, is for a class or group to sponsor a flag together. This is not limited to just NLABC parents & students, you are encouraged to invite extended family members and community & business members to donate towards purchasing a flag. Donations are tax-deductible, with our tax-id number provided at the bottom of this letter. Any and every monetary donation is greatly appreciated to help make this a special and warm-hearted surprise for our communities’ chaplains at our school assembly in May.

We thank you in advance for your participation to make this special project possible.
