PRINCIPAL NOTES – Kitty Logan

I had a blast at Outdoor Learning Day!!! I hope everyone did. Thanks to Mrs. Copping for organizing the event. Thanks to staff and parent volunteers for making the day so successful. The weather cooperated and the wind kept the 'skeeters' away, thankfully.

The fourth graders will be honoring both mothers and fathers this week. Both days are special.

We are honoring the 6th Grade Tutors this Tuesday during lunch. All told, these tutors worked before school and after lunch helping our young learners.

The Annual Talent Show is scheduled for Wednesday, May 15 at 1:30. This event will be held at the Community Covenant Church.

Did you know?:

The end of the year dinner/celebration is slated for Friday, May 17 from 6-8 p.m. Dinner will be provided. The PTO will have games for students and an inflatable obstacle course. Rumor has it that there will be a dunk tank. True story!

We still have some volunteer needs, if you can help please let Ms. Logan or the Front Office know.

- We are in desperate need of a **Certified Electrician** to install outlets in the Office.
- **Flag Parent** – someone to raise + lower flags when needed. This can be done before or during drop off.

Thanks again to all of you that have helped throughout the year. We can't do it without YOU! ☺

Student Council News – Ms. Deming

Student Council Party:

We are celebrating a wonderful, productive year. The students have worked hard, given up recesses and lunches with their friends, and made their school and community a better place. We are going to celebrate by having brownies and games at lunch on Thursday, May 16th. Permission slips are coming home today and students **MUST** return a permission slip to participate.

OUTDOOR LEARNING DAY

We had another successful Outdoor Learning Day to add to the books! It takes hours of planning, preparing, scheduling and organizing for this great event to happen. Mrs. Copping has done a fabulous job organizing this fun and educational day for our students each year. It takes a lot of people to run all those fun educational sessions. Be sure to thank her the next time you see her. Make sure to check out the digital copy of the newsletter to see some fun pictures from the day. We were blessed with sunshine and not too bad of winds. Altogether, it was a great success!
