

The Eagle's Call

January 22, 2019

PRINCIPAL NOTES – Kitty Logan

How about that Geography Bee? I was so impressed with the knowledge of the contestants. Please help me congratulate Reed Juliussen who will take a test to qualify for the State Geo Bee. If for some reason, Reed is unable to take the test, Jayson Puckett will fill in for him.

Science Night has been postponed from Friday, January 25 to Friday, February 22. We are hoping that the government shutdown will be over so we can have Campbell Creek Science Center help us present to our students and families.

Our Family Fun Night is planned for Friday, January 25. A movie and uniform swap is slated. Free popcorn to all participants. Join us. I promise you, it will be a blast!!!

Did you know?:

Our families averaged 13.55 volunteer hours in the second quarter. That is well above the 8 hours families should have by the end of December. Thank you for your continued support. I am convinced that our school is so successful because our parents are involved.

I am willing to come in on the weekends and evenings to help parents get their volunteer hours in for the year. Just send me an email or call the school to make arrangements.

Geography Bee News – Mrs. Copping

On Friday, January 18, 2019, Eagle Academy held their annual Geo Bee competition. All the contestants were very well prepared, and it was amazing to hear the facts they recalled as they answered questions in nine rounds.

Reed Juliussen won 1st place with a total of 13 correct answers. Jayson Pucket won 2nd place with a total of 12 correct answers. Sylvia Mullen won 3rd place with a total of 8 points.

Before January 31st, Reed will take an online test of geography facts. The highest scoring 100 students from all over Alaska will then compete in the State Geo Bee on March 29th in Anchorage. Good luck, Reed!

Student Council News – Ms. Deming

Our next spirit day is Freaky Friday/Mismatch day on January 25th. Students dress as teachers; teachers dress as students, or students may dress in a crazy mismatched outfit. All outfits should be appropriate for school and students who do not wish to participate must be in uniform.

HAPPY BIRTHDAY WISHES – Staff of EACS

Adrian, Fifth Grade – January 24
Addison, First Grade – January 27
Gaige, Kindergarten – January 27

The Eagle's Call

Eagle Academy's Business Partner is:

PE News – Mrs. Crowther

Parents, I am excited to announce that Ravenwood has graciously allowed us to borrow their snowshoes again. Next week, January 28-31 we will be snowshoeing for P E. I will need at least 3 adult volunteers per class, or we cannot go. We had a blast last year, and are looking forward to next week.

VOLUNTEER CORNER – Staff of EACS

- Secure shelving to the walls and secure shelves to the frame in Gym storage area
- Heat up tarps under the green house so we can cover the picnic tables
- Helper(s) during Lexia Lab 3:15pm – 4pm Monday / Wednesday
- Use a heat torch on the playground gate base at ground level. Ice is building up and it has become difficult to close.
- I need someone to build two more classroom sticks out of pipe for pickup and drop off. I have the material. KML
