

How to Checkout Library

Books

Right now the only way to check out books is to fill out the Google Form by clicking [Ms. Michaud's Picks](#). You will share with me your preferences and I will choose 3 books to checkout to you. Use the [PAC button](#) to browse our North Star catalog to get ideas about which books you want. Once I have your books ready, your parent or guardian will be contacted to let you know when you can pick up your books. Watch this [VIDEO](#) to see the process.

Any questions, please email Ms. Michaud: michaud_rena@asdk12.org
