Message from Principal Sery:

This last few weeks seeing all the students in school has been uplifting. Our Pre-K - 2nd grade is doing a great job with the mitigation plan. Students are keeping their masks on and up, socially distancing themselves, and washing hands. At this point we have had no Covid positive cases in any class. We are ready for 3rd - 6th. Please begin having conversations with your 3rd-6th graders to prepare them for face to face learning. Please remember to drive slow in the parking lot and be patient with us as we are perfecting the new Covid friendly dismissal process.

How to Conduct a Daily Health Screening

1. Check temperatures
2. Monitor for Covid symptoms
3. Call office if student show any signs or symptoms of Covid. 907-742-3800

3-6 Return to School Virtual Tour:

On Feb 4th at 5pm we will be hosting a virtual walk-through of our school. The virtual walkthrough will show families what the mitigation plan looks like. There will be time at the end for questions.

Zoom ID: 724 014 9280 Passcode: star

**Thank Dr. Shekh for
donating masks !**
