Rogers Park Talent Show

Dear Parents and Students:

This year has been unlike any before, but we are going to end the year with a BANG! Students will have an opportunity to audition to be a part of this year’s virtual Talent Show. I hope that we can keep this tradition going strong with a variety of talents that showcase the amazing students here at Rogers Park! This year, families are invited to participate with their students, show off your family group! To make sure that all performers are prepared and ready, there will still be an audition process for the virtual talent show and it is possible that not all of the students who audition will make it.

• How do you “audition” for the virtual talent show?
  o Submit a permission slip (on page 2 of this form)
  o Make a video of yourself performing your act. Make sure to watch it with your family before submitting it to make sure the sound works and that it is performance ready. If your act is chosen, this video is the one that will be shown at the talent show.
  o Submit that video to Miss Lavy at lavy_karen@asdk12.org no later than Wednesday, May 13th.
  o A panel of judges will review the videos and inform students who has made it into the 2020 Rogers Park Talent Show.

• How do you watch the Talent Show?
  o Choose only one of the times below, to help Zoom run more smoothly.
    ▪ May 18th, 6:00 pm
    ▪ May 19th, 2:00 pm
    ▪ May 19th, 6:00 pm
    ▪ May 20th, 6:00 pm
  o Log onto the Zoom music meeting
    ▪ Meeting ID: 828 788 378
    ▪ Password: Music
  o Enjoy the Show!

All acts need to be PERFORMANCE READY at the audition time. A performance ready act includes the following characteristics and has the following requirements.

• Acts may not exceed two (2) minutes. Shorter acts are appreciated to allow more students to participate.
• The act must be performed from beginning to end without stopping or restarting.
• All acts should be entertaining and fun to watch!
• All music, dancing, and acts must be elementary appropriate.
• Absolutely NO lip-syncing. An accompanist or a karaoke type CD must accompany all singers unless sung a cappella.
• To add variety to the show, there will be a limited number of the same type of acts.
• Students may participate in one (1) solo performance and one (1) group performance with a maximum of two acts.
• Dancing, Singing, Instrumental/Piano Performance, Magic Tricks, Poetry Readings, Karate Demonstrations, Juggling, Comedy Routines, Hula Hooping, etc., are appreciated to make our Talent Show interesting and fun!
• The decision of the judges is final and must be respected.

Good luck and practice hard! Auditions are right around the corner.
If you need any help, don’t hesitate to ask.

Your music teacher,
Karen Lavy
