Remember there is only one session, three periods, 8am – 1:30pm to begin the school year. There will be no pm sessions. This is due to the Risk Level High assigned to all ASD schools at this time. Give us a call if you have further questions. #WeCare #SAVEHigh #NewSchoolYear

Welcome back! As your principal, I am excited to welcome you back to another school year. Thank you for your patience as ASD works through the challenges presented by the COVID-19 pandemic. Due to the “four week Reset issued by the Municipality, we will not offer face to face registration. We encourage you to register your student online via our website or through the ASD homepage.

Schedules and credit checks will be provided to each student before the start of the school year. Our counselor or someone from the front office will be in contact with you to provide that information.

To start the school year off, all academic classes will be offered online via Canvas scheduled zoom sessions. Students have been divided up into cohort groups to provide the best possible opportunity to earn credits toward graduation. We are currently working on what that will look like and will get that to you shortly. Remember requirements for attending SAVE High School include attending academic classes, and working a job or volunteering in the community. Feel free to contact me if you have further questions or concerns.

Once again Welcome back, and remember here at SAVE High School “We CARE”

Sincerely,

Ron Brown

Principal, S.A.V.E. High School
