Rilke Remote Learning Plan

ASD has directed schools to prepare a remote learning plan in case of further school cancellations in the second semester. Please click on the following link to review the [Rilke Remote Learning Plan](#). It should be noted, however, that teachers and staff are still working out the details for each specific class and will communicate that plan early in the second semester.

Referring Rilke

We love Rilke Schule and if you do too, please take a moment to share your experience through an online review. As we approach the lottery application / enrollment period beginning on February 1st, referrals and reviews are very important factors for parents to consider as they explore school options. Furthermore, please share your Rilke experience with your friends and family and invite them to take a school tour. We would love for them to join our community!
