Fur Rondy und Rilke

Fur Rondy starts this weekend! Join us Saturday morning and represent Rilke on our float through downtown Anchorage. We will meet at 8th and D street at 9:30 for final touches. The parade begins at 10:30, so be sure to meet us at our float before then. Wear your Rilke gear to show off your Rilke pride. We hope to see you there!

Rilke Declamation

Students have been learning German poems over the last few weeks in preparation for class contests. Through these contests, three students have been selected to represent their classes at the Rilke Declamation which will be held on **Friday, 3/3, in the Rilke Gym. We will begin the morning at 8:15 with 4th - 8th grade students, then at 9:30 Kindergarten - 3rd grade students will recite their poems.** The declamation awards assembly will be held at 12:45 that afternoon. Teachers will send out notice to the parents of competing students so they may attend the event.

Fototag ist am Montag!

Picture day is Monday! Students typically “dress up” for spring picture day. We could also use a few volunteers to assist Lifetouch in retrieving classes and to help keep the day moving smoothly. We would like to have 3 volunteers for the morning session, and 3 for the afternoon. Please find the sign-up link attached. Great way to knock out some volunteer hours! <https://sugeni.us/dleE>

SCREENAGERS NEXT CHAPTER:

ADDRESSING MENTAL HEALTH IN THE DIGITAL AGE

On Friday, March 3rd, at 6:30, we will hold a public showing of Screenagers Next Chapter. This is the second film in the series that explores the lives of teenagers growing up in the digital age and how family members can work together to successfully guide children in the digital world. [Please click on this link to watch a preview.](#) The description is below.

Filmmaker and physician Delaney Ruston uses a personal lens and professional eye to help us all flip the script on stress, anxiety, and depression. We follow Delaney as she finds herself at a loss on how to help her own teens as they struggle with their emotional wellbeing. Ruston sets out to understand these challenges in our current screen-filled society, and how we as parents and schools empower teens to overcome mental health challenges and build emotional agility, communication savvy, and stress resilience.
