#### Message from the Principal

Hello Park Families,

As always, safety is a top priority at Scenic Park. We are going to continue to increase our student and staff safety by limiting parents walking through the school, especially during morning drop off time. During the mornings, please say your goodbyes outside and allow your child to independently start their day. When parents enter the building, please do so using the Main Entrance and all visitors **MUST** sign in at the office. Just a reminder that all exterior doors will be closed and locked. Students arriving after the 8:50 bell will need to enter the building through the Main Entrance. Thank you all for your continued support in keeping our Scenic Park students and staff safe.

With winter weather upon us, please make sure your child is dressed to spend up to 30 minutes outside daily. School district policy is that students will attend recess even when the temperature falls below 0 degrees. Make sure your child is equipped with snow pants, hats, coats, boots, and gloves. It is **VERY HELPFUL** to label your child's winter gear with their first and last name.

As we approach the Thanksgiving holiday, please take the time to reflect upon the many things you are thankful for. I personally am thankful for the opportunity to be a part of an amazing Scenic Park family.

Sincerely,  
Marco Christian,  
Principal
