The gifted program provides services for identified gifted students requiring a curriculum with acceleration and enrichment. These students have been determined to need extensions beyound the regular classroms.

The elementary program consists of two components: IGNITE and Highly Gifted (HG). The IGNITE program is a pull-out model which offers enrichment supplemental to the regular classroom to students in grades two through six and who are identified as superior in the range of intelligence. The HG program is a self-containted full time program for the highly gifted in kindergarten through grade six and is housed at Rogers Park Elementary School.

The middle school model focuses on the areas of science and language arts. The needs of identified students are met by selective scheduling and grade level teams in all middle school buildings, along with gifted contact teachers.

The needs of highly gifted students in middle and high schools are met with programs at Romig and Central Middle Schools and West High.

The secondary program uses a mentorship program for high school juniors and seniors needing extension of academic enrichment beyond what is provided by the high school curriculum. The program serves all high schools to help students investigate opportunities locally in the world of work.

The purpose of the English Language Learners Program is to provide equal educational opportunities for students who are influenced by a language other than English. Students in grades K-12 are offered access to a high quality academic program with comprehensive language acquisition at the programs' core. Program models include English as a Second Language, Sheltered English Instruction, a Newcomers' Center for monolingual students in grades 6-12 and two-way Immersion.

The program provides professional development for regular classroom teachers, paraprofessionals and English Language Learner staff who work with English Language Learners. Technical assistance is provided via in-service training, cultural awareness presentations, the artist-in-residence program, curriculum integration and community partnerships.

The Middle School Education Department is responsible for the ten (10) middle schools in the District and Polaris K-12 school. The Middle Schools share many common characteristics that provide for an environment and structure especially adapted for the middle school student. These characteristics include: smaller learning communities called teams; an emphasis on academic exploration and experiential learning; and opportunities to explore interests and talents in a wide variety of after school activities.

Polaris K-12 is an optional alternative program for students from Kindergarten to 12th grade. Special features include an integrated curriculum and multi-age-group learning based on student interests, needs and developmental levels.

Each principal is responsible for developing an Operational Plan and Master Schedule; implementing and supervising curriculum programs and auxiliary services; organizing staff for instruction and student services; developing and maintaining a balanced activities program; providing effective communications and public relations; directing student services; scheduling, selecting, and evaluating staff; maintaining student decorum; accurately completing reports and maintaining student records.

The Library Resources Department directly supports the ASD by indexing of library materials for all 100 libraries within the school district and maintaining and updating our catalog of more than 1 million items. The focus of this work is to improve access to library materials for all students and staff in the ASD system. In addition, the Library Resources Department facilitates the automation of manual processes in other departments of the school district through our Curriculum Media module.

To accomplish this purpose, the department provides all services necessary to place in the individual school library/media center the collections of print, nonprint, and computer media, fully indexed with a management system designed to facilitate access and retrieval to all resources in the District. In addition, the management system facilitates access to information outside the District's libraries for resource sharing and inter-library loans with other library systems.

The Rentals Department coordinates both district and public use of Anchorage School District facilities. ASD facilities are rented for various school, community, cultural and recreational activities. Primary user groups include the University of Alaska - Anchorage and a number of community groups including YMCA, Camp Fire USA, Anchorage Chineese School, Anchorage Korean School, Boys and Girls Club, Boy Scouts and Girl Scouts, Community Councils, and PTA Councils. Revenue realized from the rental of District facilities were \$826,989 for FY 2013-14, \$676,985 for FY 2014-15, and are budgeted as \$725,000 for FY 2015-16 and FY 2016-17.

The District's recreation facilities are consistently scheduled to near capacity. The Rental department also works closely with non-profit youth sporting groups to insure more effective and equitably scheduling of ASD gymnasiums and multi-purpose rooms.

The department also manages and schedules the use of the auditoriums/auditerias at Bartlett, Chugiak, Dimond, East, Service, South and West High Schools. The department provides technical training for teachers and students who use the District's auditoriums. Technical assistance continues to expand to provide expertise and support of equipment to other schools across the District.

The department recently transitioned to a web based scheduling application that allows clients to check school site availability and to schedule their own facility rental requests. It is the goal of the department to provide clients with the necessary tools to enhance the facility scheduling needs of their programs. This web based application will also allow the department more time for customer contact and assistance.

The Community Resources Department works closely with district classroom teachers, community-wide resources and special events to enhance the instructional process for our students. This enhancement is achieved through the scheduling of assemblies, classroom speakers and field trips for classroom teachers. Annually, the department schedules the People Mover buses as a mode of transportation for many of the field trips. Use of the People Mover saves the the district thousands of dollars in transportation cost.

The Alaska Native Cultural Charter School is operating in its new building. The K-8 school offers a curriculum that is similar to Anchorage School District adopted curriculum with an emphasis on Native subsistence life styles and rural Alaskan culture. Several Native languages will be introduced to students throughout the school year. Various Native groups and organizations will present special programs and provide guest helpers in the classroom to enrich the childrens' educational experience. The school will provide free reduced breakfasts and lunches as well as make available Title I assistance for all students. The school is open to all students in the Anchorage School District and will use the lottery system to determine enrollment.

Enrollment at Aquarian Charter School is projected to be 375 students. This charter school serves students in grades K-6 and is housed at the Charter School Facility (formerly the Old Northern Lights ABC School). The program philosophy statement says that this charter school provides an educational community which supports a learning environment based on high expectations within an academic foundation, experiential hands-on learning, and a commitment to personal character. Aquarian parents have high expectations for their children and their educational setting. The instructional program follows many aspects of an enrichment model, with Spanish inclusion in all grades, a solid core curriculum which is aligned to State Performance Standards, fine arts, thematic instruction and technology integration.

Highland Tech, a public school chartered in the Anchorage School District, serves as a model for educational entrepreneurship. Highland Tech illustrates a paradigm shift in education and learning.

Highland Tech serves 6th - 12th graders from the Anchorage School District, with a projected enrollment for FY 2016-2017 of 180 students.

Students are expected to follow a dress code resembling casual business dress. Since students will be going into the community, a professional appearance and stature is expected.

The facility promotes a digital learning environment, which integrates technology, connectivity and digital content into the classroom. Student learning is rigorous and demanding. As a standards-based school, Highland students must pass each level with at least an 80 percent proficiency in each of the eight content areas. Students who attend Highland Tech High graduate prepared for the world of work or continuing education.

Highland Tech High students are the next generation of leaders.

Statement of Program

The Planning & Construction Department manages planning, design and construction of new and renewal of existing facilities, according to Board policy and administrative action. The division works with design professionals during design and construction of capital projects. The division is responsible for assuring designs comply with ASD Educational Specifications and code requirements. The District primarily receives project funds from municipal bonds, grants, and some general funds. Major projects include districtwide building life extension projects, Airport Heights Elementary renovation, component renewal projects at Mountain View, Rabbit Creek, Turnagain, and Gladys Wood elementary schools. Approximately \$94.3 million is budgeted for current projects.
