PARENT/GUARDIAN AGREEMENT AND AUTHORIZATION		
<p>I request that the prescription medication listed above be given to my child. I understand that, in the absence of the nurse, other trained Anchorage School District ("ASD") personnel may administer this medication. Employees and agents of ASD strive to provide treatment consistent with the appropriate standard of care, but are not infallible. I agree to release, defend, indemnify, and hold harmless ASD from any liability for the risks or results of the care, which may include INJURY, ILLNESS, or DEATH, or the manner in which it is administered, including NEGLIGENCE. I will notify the school immediately if the medication is changed. I give permission for the exchange or release of health information between the medical provider listed above and ASD as part of the provision of my child's care. I agree for the nurse to share health information with ASD employees and agents on a need-to-know basis for my child's safety and to foster academic success. I understand that ANY remaining medication(s) will be disposed of at the end of the school year, unless I pick up the remaining medication(s) by the last school day, as indicated on the ASD school year calendar.</p> <p style="text-align: center;"><b>All prescription medication must be in the original pharmacy labeled container and delivered by the parent/guardian to the school nurse. Under no circumstance should medications be brought to school by the student (minor).</b></p>
