

ASD Auditorium Technical Rider

Each Auditorium user must provide the following information regarding production needs for the rental space. This technical information is required for all rental clients who use an ASD Auditorium.

Please email this technical rider two weeks prior to the production date to Rentals@asdk12.org. This detailed information is necessary to ensure that we can properly accommodate your production or event.

- Submit a separate technical rider for each production or event.
- Be as thorough and detailed as possible to ensure requested equipment is available.
- If you have a professional technical rider, please provide it in addition to the ASD Technical Rider.
- If making a presentation such as PowerPoint, you must provide your own computer and an adapter to a male HDMI cord.
- Connection to sound, 1/8" connector, is provided.
