Mears Sunrise

At Mears, we're often treated to these beautiful sunrises in February. They always happen as the day begins, and students and staff stop to appreciate an Alaskan spring morning.

Open-Gym Time

Students love open-gym time at lunch. Here a group of students waits for Mr. Parker to let them in for some more good times!

Panthers Love Learning

It's great to see students engaging with their teachers at Mears. Here Ms. McLaughlin, our Design and Modeling teacher, instructs students in the use of a laser cutter, creating designs on wooden projects.

ASD's New Masking Policy

Mears Families:

Starting Monday, February 28th, the Anchorage School District will begin optional, parent-choice masking in schools. At Mears, we have spoken to students about this change. Additionally, we have asked that students respect the choices of others in masking or not masking. We also emphasized that masking on buses will continue to be mandatory; however, once students enter the school, they will adhere to their family's preference.

As we told students, this shift remains about choice and respect, and we appreciate your support in what will be a significant adjustment to practice.

Sincerely,

Mears Administration

Mears Activities Update

Boy's basketball, cross-country skiing, archery, and Junior Native Youth Olympics have all had great seasons. Students have learned a great deal about each sport, and I'm happy to report that for many students this was

their first exposure to their respective sport, and this is the ultimate aim of all of our activities. Thanks to families for encouraging your students to get involved!

Here is a great photo of the Mears boy's basketball team during a recent game: Go Panthers!

Families must fill out the following forms for students to participate in sports:

- Middle School Participation Form
 - https://drive.google.com/file/d/1xnIL0dz4uKW6YsMk_MrWGZd4mjAkPMj5/view
- COVID-19 Supplemental Waiver of Liability
 - <https://www.asdk12.org/cms/lib/AK02207157/Centricity/Domain/4260/CVID-19%20Waiver.pdf>
- COVID-19 Return To Play
 - <https://drive.google.com/file/d/1vsUwRmFJTh5s4ecdD0wJ2PW8ywX2-J5U/view>
- Health Examination Form
 - <https://drive.google.com/file/d/11I5oSifxCsx-F-MNlknP6hBp0FPtELfeI/view>

Added to these forms, if a student has tested positive for COVID-19 in the three months prior to the activity, families should fill out the **COVID-19 Return-To-Sports** form.

Forms can be scanned and emailed to our AAFP: spartz-hays_robin@asdk12.org or dropped off at the school by your student near the main office between periods 1 and 2: designated basket supervised by Ms. Spartz-Hays.

Visit Mears website for all activities updates and information:
<https://www.asdk12.org/domain/4260>

COVID-19 Return To Play

In addition to the standard forms and COVID-19 waiver, if a student has recently tested positive for COVID-19 and seeks to begin or return to a sport or activity, families should fill out the **COVID-19 Return-To-Sports** form. The school nurse can provide more information; however, it's essentially a form (linked above and below) that requires 2 steps:

1. If the student has a confirmed positive COVID-19 test, a healthcare professional must sign off that he/she is able to return to the sport or activity prior to participation (not required to return to school).
2. Upon submission of this form, coaches will employ the slow re-entry process to ensure safety. **Please view the document to see the transitional return process. (Apologies: Last week I included the wrong link-please view this one).**

a. <https://drive.google.com/file/d/1vsUwRmFJTh5s4ecdD0wJ2PW8ywX2-J5U/view>

Although the form is not new, our employment of the document will be more stringent. All families that agree to participate in sports sign the COVID-19 waiver, which makes the Return to Play documentation part of the process.

Our hope is to enhance safety and help students as they restart strenuous activity. If you have any questions please contact Mike Scott, Mears AP, or Karin Richards, Mears Nurse.

Panthers Write!: February's Writing Contest

Lights, Camera, Action

Create a Video Story

This month, tell a story in 4 minutes or less in which you include a social media mishap. Use at least two of the following social media terms in your story:

#Blessed
This Ain't It
Delete Your Account
Social NOTworking
Instafamous

Record your 4-minute story in Canvas Studio.
Deadline for video submissions is Friday, February 25th.

Story Guidelines:

1. Make your story fit the theme of social media slogans. Use at least two of the slogans provided. (You may use more than two.)
2. Tell your story in no more than 4 minutes.
3. The story can be fiction or nonfiction, or a blend of the two.
4. Write out a draft of your story first, even though the story entry itself will be spoken words, recorded using the Canvas studio tool. (See the video tutorial on Canvas studio inside the Canvas module.)

Planning your Video Story:

- Start with action!
- Organize your story around a beginning, a middle, and an end.
- Write it out. Have another person read it and give you feedback.
- Read your story multiple times, play it in your mind, practice it in front of your dog. Become so familiar with your story that you don't even need notes.
- Perform a timed rehearsal. Remember, no more than 4 minutes.
- Remember to tell your story and not simply read it. Consider volume, pauses, voice, body posture, hand gestures, facial expressions.
- When you are ready to record, watch the instructional video in this module on how to record using Studio and how to submit your completed video.

Congratulations to January's Writing Contest Winners:
